

ESE 2030 QUIZZAM N : FALL YYYY

PROF-G

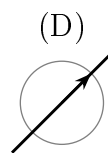

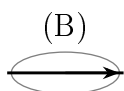

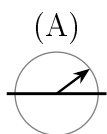

INSTRUCTIONS

- No books, notes, or calculators. Use a writing utensil and logic.
- Please follow question instructions and fill in the bubble-sheet.
- Select one answer per problem.
- Each problem has one best answer.
- In some problems, a wrong choice may be worth partial credit.
- Be careful to fill in the correct problem number.
- These questions are written carefully: if you detect an error, read closely and do your best.
- If anything is unclear, use your best judgment.
- Cheating in any form will be dealt with severely.

Which picture is consistent with the stated hypotheses?
